## New Training Session Announced

A new training opportunity has been added to the 5th Annual ESC Market Transformation Conference lineup. Lawrence Berkeley National Laboratory will offer two 30-minute training sessions for eProject Builder, the free online tool from U.S. DOE for tracking and reporting ESPC project data. The sessions will be held in the dining hall during conference networking breaks on August 23 (3:30-4pm) and August 24 (2:30-3pm).

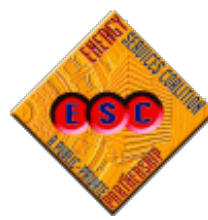

Want in on the action? If you are in a position of managing, developing, implementing or marketing energy savings performance contracting programs, products or services, this conference is designed for you!

Join the growing list of those that have registered to attend. [Registration](#) is now open -- but attendance is limited -- so register today!

See ya'll in Louisville.

Silver (\$2,500)
