(RE) Join Us: We need your involvement. If you are a former Delaware Chapter member, then you know that the ESC provides a unique forum in which all stakeholders can work together to address and overcome any barriers which are limiting the effective use of ESPC. So, if you are still involved in energy savings performance contracting programs, products or services, then coming back to the Energy Services Coalition may be right for you. Please consider [renewing](#) your membership. I hope you will be able to (re) join us!

consumption. To date, more than \$125 million in energy savings projects have been implemented in Delaware as a result of a GESPC.

Delaware ESC sponsors 3rd annual Energy Conference

October 19, 2016: More than 100 people attended the 3rd Annual Delaware ESC Chapter's Energy Conference. David Terry, ESC Public Sector Vice-President, delivered the opening keynote. The conference agenda included panels covering programs and incentives for Delaware businesses, energy resiliency, and emergent technologies.

Delaware's Guaranteed Energy Savings Agreement

October 24, 2016: Delaware officials unveiled plans designed to reduce energy costs at National Guard facilities around the state. The 20-year plan, called a Guaranteed Energy Savings Agreement, is expected to cut fossil fuel consumption at the facilities by 38 percent and save the Delaware National Guard \$6 million in energy costs over 20 years. It is being funded through a loan from the Energize Delaware's Revolving Loan Fund program.

SAVE THE DATE

The 6th Annual Energy Services Coalition Market Transformation Conference is being held August 23 and 24 at the [Green Valley Ranch and Spa](#) in Henderson, Nevada. This year's conference will showcase innovation, case studies, best practices and more in Energy Savings Performance Contracting and public building energy retrofits. Stay tuned for more details. See ya' in Henderson.
