### Government Affairs

October 4 - 3:30 -- 4 PM

Guaranteed Energy Savings Performance Contracting offers significant opportunity to advance energy efficiency in the public sector. The Government Affairs session, a long-standing ESC Conference tradition, explores new policies, laws, standards, trends, barriers and challenges, and their impacts on GESPC and efficiency work throughout the country.

Rhonda Courtney, ECO Engineering and ESC Board member moderates this half-hour session.

Donald "Don" Gilligan, President of the Nation Association of Energy Service Companies (NAESCO) will cover the organizations state advocacy activities and its work promoting energy efficiency and distributed generation in state legislative, regulatory, and policy settings. NAESCO represents nearly 75 companies that deliver \$5 billion of energy efficiency and renewable projects annually. Don has worked in the energy efficiency industry since 1975, as a consultant, entrepreneur, and state government official and authored and co-authored a number of reports on energy efficiency and the growth of the ESCO industry.

depending on your need.

All guestrooms are non-smoking and King beds have been reserved for the ESC Room Block. For any additional nights needed before or after the posted group dates, please contact the hotel directly at (800) 706-2899 to check availability.
