

Session #3: Changing and Challenging Times in the Energy Business

[The 3rd Annual Energy Services Coalition Market Transformation Conference](#) (July 29-30) includes a forum that will explore the changes and challenges facing the electric utility industry with a focus on recent regulatory developments in Minnesota. This panel of experts will discuss the potential implications for utilities and customers brought on by declining load growth and the rapid rise of distributed energy resources.

Panelist include:

- Bill Grant, Deputy Commissioner of Energy and Telecommunications, Minnesota Department of Commerce
- Lauren, McCarten, Regional Vice President, Northern States Power -- Minnesota at Xcel Energy
- Joseph F. Wiedman, Partner at Keyes, Fox & Wiedman LLP, Counsel for Interstate Renewable Energy Council (invited)

If you are in a position of managing, developing, implementing or marketing energy savings performance contracting programs, products or services, this conference is designed for you!
