

Advancing Energy Efficiency in Public Buildings

The [4th Annual Energy Services Coalition](#) Market Transformation Conference in Charlotte, North Carolina, features a unique gathering of energy industry experts and public sector thought-leaders. The conference will kick-off the evening of August 31st with a special networking reception; followed by a day-and-a-half of thought-provoking and informative sessions. Exhibitors in the Expo Hall will display the latest technologies and trends in energy efficiency products, strategies and services.

If you are in a position of managing, developing, implementing or marketing energy savings performance contracting programs, products or services, this conference is designed for you!

Registration is now open -- but attendance is limited -- so register today! See ya' in Charlotte.
