Transformation
Conference

Day 2: Financing GESPC in the MUSH Market

7th Annual ESC Market Transformation Conference -- Oct 4 and 5, 2018
Atlanta, Georgia

Do Not Miss The Opening Night Reception

The ESC Opening Night Reception has a tradition of being a great networking experience for attendees and vendors alike.

The reception, at the conclusion of day one sessions, has a tradition of highlighting the flavor of our host Chapter -- whether that was an Elvis impersonator in Nevada, to country music in Tennessee -- and combining that with a great networking opportunity to learn more about our sponsors and their products and services.

Day 2: Financing GESPC in the MUSH Market

October 5 - 8:30AM--9:15AM

The "Financing GESPC in the MUSH Market" panel discussion follows the morning keynote. This moderated round-table discussion focuses on various factors impacting financing decisions and different approaches states take to fund projects.

ESC State Liaison Program Manager, Dale Hahs, moderates this interactive discussion.

Panelists include:

- Karen Pelzer, All American Investment Group,
- Neal Skiver, George K. Baum & Company
- Geoffrey Culm, Bank of America/ Merrill Lynch
- Bob Johnson, Hannon Armstrong

If you are in a position of managing, developing, implementing or marketing energy savings performance contracting programs, products or services, this conference is designed for you!

See y'all in Atlanta.

This year's reception will allow our attendees to mingle in the exhibit hall while enjoying the food, drink and music of Georgia.

Jim Arwood
Executive Director, Energy Services Coalition
